

Freight Solutions

Integrated freight, by sea, air and land.

The right mode for every shipment.

SWIPE →

THE CHALLENGE

Every shipment has its own balance of time, volume and cost. The right mode makes the difference.

SEA FREIGHT

FCL, LCL and port-to-port shipping.

Full container load (FCL)

Less than container load (LCL)

Port-to-port

AIR FREIGHT

Fast, **time-critical**
cargo by air.

Import and export

Priority handling

Airport-to-airport or door-to-door

LAND FREIGHT

Full truckload and cross-border trucking.

Full truckload (FTL)

Cross-border trucking

UAE and GCC routes

Why Zajel

One partner across every mode

Full shipment visibility

Regional expertise across the GCC

Intelligent movement
for complex operations.
