

Warehousing

Stored with care,
ready to move.

Storage, bonded and dangerous goods.

SWIPE →

THE CHALLENGE

Inventory in the wrong place, or the wrong conditions, costs time and money every day.

WHAT'S INCLUDED

Storage built around what you hold.

General storage

For everyday inventory

Bonded warehousing

Duty deferred until goods are released

Dangerous goods (DG)

Specialised, compliant storage

FULFILMENT

From shelf to shipment,
without the wait.

Inventory visibility

Pick, pack and dispatch

Linked to freight and last-mile

Why Zajel

Secure, monitored facilities

Compliant handling for regulated goods

One partner from storage to delivery

Intelligent movement
for complex operations.
